ELECTS NEW OFFICERS

Special to the Journal.

Century, Dec. 9.—Century Camp No. 55, W. O. W., elected officers for the new year at the regular meeting last night. The new officers are:

G. W. D. Meyers, C. C.; J. A. Knowles, A. L.; W. H. Mayo, banker; J. L. Mayo, clerk; B. Walker, escort; A. E. Simmons, watchman; G. F. Barber, sentry; Dr. J. A. McDonald and Dr. W. C. Weaver, physicians; E. L. McGee and W. F. Abbott, managers.

Aside from electing officers a considerable amount of other business was disposed of. For the good of the order Sovereign S. B. Slighter, P. H. C. Jr., from Montgomery, Ala., made a very interesting address.

## JOHN E. PACE PASSES AWAY

DIED THURSDAY AT HOME OF  
BEN H. THOMAS ON BLACKWATER  
BAY AT THE AGE OF  
EIGHTY-FIVE YEARS.

John Ervin Pace, father of Mrs. Ben H. Thomas, passed away at the home of Mr. and Mrs. Thomas, on Blackwater Bay, shortly after 7 o'clock Thursday morning, aged 85 years. Mr. Pace had been in poor health for over a year, necessitating a most constant care and attention. On Tuesday of last week he experienced an attack of weakness, due to advanced age, and continued to lose vitality until he passed, without a struggle, into the Great Beyond. He is survived by one daughter, Mrs. Ben H. Thomas, one son, W. E. Pace, of Pensacola, and a number of more distant relatives in southern Alabama.

Mr. Pace was born in Georgia on August 23, 1825, and at the age of six months, his mother having died shortly after his birth, was taken in charge by his aunt, then residing at Denmark's Bluff, on the Alabama river, with whom he remained until his father and the other members of the family emigrated to the same place. Practically all of his life, until within the past 15 years, was spent in southern Alabama, along the Alabama river.

At the breaking out of the war between the states Mr. Pace enlisted in an Alabama artillery regiment, and served throughout the great struggle. He was one of eleven prisoners who made a notable escape from the federal troops, after being sent a prisoner of war to St. Louis, an exploit which is still recalled by many veterans of this section who were familiar with the facts at the time.

The remains were interred Friday morning at the Blackwater cemetery, on Garcon Point.

A SIMPLE SAFEGUARD FOR  
MOTHERS.

Mrs. D. Gillespie, 326 Ingles Ave., Youngstown, Ohio, gained wisdom by experience. "My little girl had a severe cold and coughed almost continuously. My sister recommended Foley's Honey and Tar. The first dose I gave her relieved the inflammation in her throat and after using only one bottle her throat and lungs were entirely free from inflammation. Since then I always keep a bottle of Foley's Honey and Tar in the house. Accept no substitutes. W. A. D'Alemberte, druggist and apothecary, 121 S. Palafox street.

## PENCIL VENDER BACK IN TOWN

H. B. ROUSE, NORTH CAROLINIAN  
WHO LOST BOTH LEGS, IS IN  
PENSACOLA FOR THIRD TIME—  
WILL BE ON STREETS A WEEK  
LONGER.

H. B. Rouse, the "merry little man" who has no legs and who sells lead pencils on the street, is again in Pensacola and will be here for another week, and will then go to Jacksonville and ply his trade during Christmas week. Mr. Rouse had his legs amputated on account of scrofula, and being necessary to save his life. His eyesight is affected and this keeps him from learning to do something more useful. He paid the regular peddler's license in this town and really deserves the patronage of the public. He is a well behaved young man, goes to church on Sunday and keeps strictly sober. In this respect he is vastly different from the great majority of crippled strangers who come to Pensacola. Mr. Rouse has been here twice before, this and is known by a number of citizens. His home is at Mocksville, N. C.

## SANDFORD GIRL FIRST OPERATOR

MISS GRAYNELLA PACKER OF  
THE CELERY CITY WAS THE  
FIRST LADY TO OPERATE WIRE-  
LESS TELEGRAPH ON AN OCEAN  
LINER.

The following press dispatch regarding Miss Packer will be of interest to her many friends in this city where she resided for two years as manager of the Postal Telegraph office, says the Sanford Herald.

When the Clyde steamship Mohawk left New York yesterday noon on its regular trip to Charleston and Jacksonville it had aboard as wireless operator the first woman who ever bore the responsibility of this position on an ocean steamer. The officials of both the Clyde line and the United Wireless Company have considered for some time the advisability of employing a woman in this capacity and have only awaited the discovery of one who combined the necessary experience and skill with the other qualities that are required in this very important position.

Miss Graynella Packer, of Sanford, is the young lady to whom has fallen the honor of being the first of her sex in this new field. When seen aboard the Mohawk before sailing, Miss Packer was busily engaged in the ship's wireless room and going about her work as unconcernedly as if she were ensconced in the snugger and safest telegraph office on land and quite unmindful of the fact that she was a center of interest to the three hundred passengers bound south on the liner.

Miss Packer has been a telegraph operator for a number of years. She predicts that women will play a great part in the wireless of the future.

Miss Packer is 22 years old and has had two years' experience as manager of the telegraph office at Sanford, Fla. She has aspirations as a concert vocalist and will take vocal training each week during the steamship's stay in New York. She has never known wireless operators personally, but has been much impressed with the heroism of Jack Binns, operator on the steamship Republic, and with the daring and resourcefulness of the wireless man on the recent Wellman dirigible attempt. She believes that she has been most attracted to wireless work by the sense of mystery with which she was thrilled when she first received messages while coming up from Jacksonville on a Clyde liner. She asserts that this feeling of annihilating distance by a flash of electricity is almost overwhelming to the beginner.

rub lightly, the way of the feather, until feather is clean, and rinse in warm water and hang in a cool breeze. It will take from two to four hours for them to thoroughly dry.

To improve oilcloth, dissolve a pound of glue in a quart of water over the fire; then rub it lightly over the oilcloth with a piece of flannel and leave it to dry. If possible, do this in the evening, so that the oilcloth may not be walked on till the morning. This treatment adds to the durability of the oilcloth besides improving its appearance.

## TABLE LINEN FOR BRIDE.

The girl who is starting a dowry chest will be particularly interested in her table linen.

She may well choose either Dresden or Irish linen or both, as both are said to wear indefinitely. Where one buys the nappy in sets, these include cloths of two yards wide by two, two and a half and three yards long, and napkins of breakfast and dinner size.

If possible, buy these sets in their natural color, and bleach them in the sun. Chemicals used for whitening are likely to destroy the texture of the linen. Luncheon sets come in both Irish and Dresden woven nappy in all white.

The newest luncheon sets, however, are made from Austrian linen, and consists of a round cloth and twelve napkins. Each piece carries a damask thistle design in pale green, maize, blue or rose on a white ground. Attractive also are the sets of Holbein pattern in German linen. The thirteen pieces include an oval spread and round napkins, with scalloped edges and a design in blue or red on a white ground.

## W. A. BLOUNT SENDS WIRE OF APPRECIATION

The officers of the Blount Club, which was organized in Pensacola Wednesday night yesterday received a telegram from Hon. W. A. Blount, sent from Bartow, in which he thanked his friends for the work they were doing and said he would later express his appreciation more fully.

Worse than an alarm of fire at night is the metallic cough of croup, bringing dread to the household. Careful mothers keep Foley's Honey and Tar in the house and give it at the first sign of danger. It contains no opiates. W. A. D'Alemberte, druggist and apothecary, 121 S. Palafox street.

## CURE YOUR KIDNEYS.

Pensacola Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, back ache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them? Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Pensacola testimony:

C. L. Brown, Perdido Wharf, Pensacola, Fla., says: "I used Doan's Kidney Pills and the result was all that I could have wished for. At times hard work caused my back to ache but on such occasions, a few doses of Doan's Kidney Pills always drives the trouble away. I know of several other people in Pensacola who have procured Doan's Kidney Pills at the Crystal Pharmacy and have used them with entire satisfaction. I have never heard anyone speak of this remedy except in the highest terms."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.
